OPSWAT 436 Nguyen Thi Minh Khai

District 3 Ho Chi Minh, Vietnam

Dear Hiring Manager,

I am thrilled to apply for the Software Engineer Intern position at OPSWAT, Ho Chi Minh. As one of the top Computer Science students at my university, I am eager to bring my enthusiasm and skills to your team.

The opportunity to work with OPSWAT, recognized as the 'Best Workplace in Asia' for the third consecutive year, is particularly appealing. Your mission of protecting the world's infrastructure aligns with my values and professional goals. I am excited to contribute and gain valuable experience in your dynamic and innovative environment.

While my professional experience is still in its early stages, my exceptional command of English has enabled me to collaborate effectively with fluent speakers and work confidently on complex English-language documentation. My broad knowledge across various IT domains, combined with my hands-on experience in Agile project management, distinguishes me as a candidate who can bring a diverse skill set to your team. Working on Agile projects has provided me with valuable insights into iterative development and team collaboration. I am eager to leverage these skills and contribute to your team's success.

If you believe I am a good fit or see potential for collaboration, please do not hesitate to reach out to me. I am available for an interview at your convenience and look forward to the opportunity to discuss how I can contribute to your team.

Sincerely,

Hai
