Kelly Dang - Senior Talent Acquisition Consultant

ISB Vietnam Company (IVC)

364 Cong Hoa,

District Tan Binh, Ho Chi Minh, Vietnam

Dear Ms. Kelly,

I am thrilled to apply for the Intern C/C++ Developer position at ISB Vietnam Company (IVC), Ho Chi Minh. As one of the top Computer Science students at my university, I am eager to bring my enthusiasm and skills to your team.

The opportunity to work with IVC is particularly appealing due to your leadership in technology and innovation. I am excited about the chance to contribute and gain valuable experience in a dynamic and forward-thinking environment.

While my professional experience is still in its early stages, my exceptional command of English has enabled me to collaborate effectively with fluent speakers and work confidently on complex English-language documentation. My broad knowledge across various IT domains, combined with my hands-on experience in Agile project management, distinguishes me as a candidate who can bring a diverse skill set to your team. Working on Agile projects has provided me with valuable insights into iterative development and team collaboration. I am eager to leverage these skills and contribute to your team's success.

If you believe I am a good fit or see potential for collaboration, please do not hesitate to reach out to me. I am available for an interview at your convenience and look forward to the opportunity to discuss how I can contribute to your team.

Sincerely,

Hai
